Summary

Driven B.Tech CSE student with intermediate Java DSA skills (50+ LeetCode solves). Strong leader passionate about SDE roles; built personal projects in data structures. Ready to deliver clean, efficient code Interested in collaborating on meaningful analytical work in fast-paced environments.

Education

B.Tech in Computer Science (Core)

Aug. 2023 – June 2027

Noida International University, Greater Noida

CGPA: 9.09/ 10

Intermediate

Jul. 2016 – June 2018

Vishwakarma Inter College

362/500

Matric

Jul. 2015 – June 2016

Vishwakarma Inter College

503/600

Skills

Programming: C, Java

Academic Achievements: Maintained consistent academic performance in B.Tech CSE core subjects like Programming and Data Structures.

leadership potential through group discussions and team assignments in DSA classes.

Technical Skills Applied

- Gained intermediate proficiency in Java through coursework, building console applications with OOP principles and exception handling.
- Practiced DSA concepts including arrays, strings, linked lists, and sorting algorithms via college assignments.
- Solving basic LeetCode problems on arrays/strings to strengthen problem-solving skills (ongoing).

Academic Projects

Console-Based Applications | Java

2025-2026

- * Developed basic console applications demonstrating OOP concepts, exception handling, and file I/O operations.
- * Implemented simple data structures coursework including arrays, strings, and basic sorting algorithms.

Certifications & Academic Work

- **Research Paper:** "Adaptive Hybrid Intelligence Framework for Proactive Cross-Border Fraud Detection in Electronic Transaction Ecosystems" - Conducted literature review and framework analysis on ML-based fraud detection systems.
- **Bootstrap & Java Bootcamp** - Completed hands-on training covering responsive web design (Bootstrap) and intermediate Java programming including OOP and DSA applications.
- **Microsoft Power BI certificate-** Skill Course (2025)
